

# Remembering Frank

Friends and family gathered at Applegate Red Winery to celebrate the life of owner Frank Ferreira. On an Applegate Valley perfect day, "Frank stories" abounded, tears flowed, laughter rang, and Frank's wine was poured generously.

Held on the bright red pavilion that Frank built recently, the memorial was both somber and joyous. Frank's two daughters and two sons, from Hawaii and Connecticut, greeted guests, as did Frank's miniature donkeys and exotic birds.

As the gathering was coming to a close, hundreds of geese rose into the vivid blue sky. So long, Frank. You will not be forgotten.
