## Student Scholarship Opportunity

The Applegate Valley Garden Club (AVGC) has some exciting news! The garden club is offering a \$500 scholarship to the college of your choice for the fall of 2010. This is a non-renewable scholarship for first time college students only—no matter what age or financial need. Please note college courses taken during the time of high school attendance do not disqualify you from this scholarship.

If you are a Hidden Valley High or South Medford High student, contact the appropriate office for an application and the criteria sought by the club. If you are a home-schooled student, have already graduated from high school (or received your GED), served in the military and are back home now, have a job, or have become a homemaker and are now ready to attend college, contact a club member for an application and a list of essay questions to be answered.

Hurry though, there is a deadline of March 31, 2010, in which the application, at least one letter of recommendation, and answers to essay questions must be submitted to the Applegate Valley Garden Club for consideration.

If you receive the award, the money will be given to the Scholarship Office at the college of your choice for distribution once you have enrolled in six or more units for the fall 2010 semester/quarter.

The criteria are as follows:

1. Must be an Applegate Valley resident
2. Minimum high school GPA of 2.5
3. Your major course of study should demonstrate an interest in the development activities of the Applegate Valley:

- Agriculture
- Forestry
- Culinary Arts
- Viticulture
- Veterinary Services
- Restaurant/Hotel Management
- Landscaping
- Environmental Engineering
- Business Administration
- Other related fields of study

Call Sue Bailey at 541-899-3273 for further information and an application packet. Again, South Medford High and Hidden Valley High students need to contact their respective schools for the application packet. The above contact number is for home-schooled students or students who have already graduated from high school and meet the above mentioned criteria.

The garden club strives to give back to the residents of the beautiful Applegate Valley and to make this a better place to live for all of us.
