A MESSAGE FROM OUR FOUNDER

I started a business to make a difference in Southern Oregon. To give back to our community, and others. Providing FREE resources is something that I am very passionate about.

In the last five years, our proceeds have been responsible for creating and maintaining Club Sixty, the Veteran's Breakfast, the Josephine County Senior Fair, the Alzheimer's Doll Therapy Program, Legacy Photoshoots, Lonely Senior Dog Adoption Program, Holiday Meal deliveries, the Southern Oregon Community Service Award, and much more! All of which we donate at our expense.

Thanks to our many partnerships with other companies, we are able to provide ALL of our services to you at NO EXPENSE.

Assisted Living - Steps to Consider

STEP 01

Keeping you at home...

How do we keep you at home for as long as possible? There are many things to consider, from caregiving to getting groceries and pet care. We can connect you with the resources you need.

STEP 02

Navigating assisted living...

When you need more help it might be time to explore Assisted Living options. From downsizing and moving, to touring long-term care housing, and navigating insurance, we want to help you plan.

STEP 03

There is an emergency...

An emergency has landed you in the hospital and folks are making decisions for you. In order to move you out of the hospital the discharge planner, and perhaps your adult children, are making decisions for you.

“ Team Senior helped me with everything from packing up my old place and driving me around to look at places, to providing information about every assisted living facility with just one call! ”
